## **WE VALUE A CONSERVATIVE & STRAIGHTFORWARD APPROACH**

Dr. Ko & Dr. Yoon work as a team to diagnose & plan each case to deliver the most comprehensive care for each patient. We believe that two minds are greater than one! With Dr. Ko & Dr. Yoon working alongside each other daily, our 1:1 Doctor to Assistant ratio sets our office apart, ensuring meticulous quality control & excellent results. We're known for our conservative & straightforward approach to orthodontics. Some children require earlier intervention around the ages of 7-9, but not all as has been the growing trend. Many of our patients are also adults as we specialize in aesthetic treatment options from lingual (invisible) braces to Invisalign.
